TREASURE Hunting

With so many retailers entering the crowded e-commerce space, the thrill of discovery can lose out to exhaustion from the sheer number of options. **Taigan**, a digital marketplace featuring curated finds in seven categories, aims to become your trusted source for one-stop shopping. Launched in 2009, the site connects style-savvy buyers with access to emerging designers and regional merchants who sell everything from cooks' tools and artisanal condiments to fine jewelry and antique furnishings. With impeccable customer service and a well-vetted roster of global sellers (only 3 percent of inquiries are invited to participate), members are guaranteed a unique shopping experience. Here, a sampling of what you'll find. taigan.com
